

**International  
Conference of**

**CEEPUS  
Partners**

## **Strengthening Networks, Expanding Horizons**

### **INVITATION**

The Tempus Public Foundation, on behalf of the current Hungarian CEEPUS Chair, the Ministry of Culture and Innovation of Hungary, cordially invite CEEPUS network coordinators, network partners operational staff and higher education institution representatives interested in the CEEPUS programme to the

### **International Conference of CEEPUS Partners**

**Budapest, Hungary**

**September 25, 2024.**

The aim of the conference is to discuss focal points of the scholarship programme at an operational level, therefore we are looking forward to an active participation of your representative. Novelties of the upcoming CEEPUS IV program phase will also be presented. As all partners already engaged and interested in joining the scholarship programme are invited, this will be a great opportunity for all of us to share good practices and liaise with experts of the field and make new contacts.

Travel and accommodation costs are self-financed. There is a list of recommended hotels attached to this invitation letter.

It will be possible to link the participation at the conference to a teaching mobility (with a min. of 6 hrs of teaching/consultation within 5 days) at a Hungarian partner university, and thus become eligible for a CEEPUS scholarship within a network or outside (as a freemover if the university is not yet a partner). The details of the mobility (such as acceptance, teaching plan and accommodation) should be arranged primarily with the Hungarian host higher education institution. Scholarship applications are due before Aug 31, 2024.

**VENUE**

**Budapest** (in-person only)
